FAMILY NEWS—MARCH 2022

What's Next?

As I write this, there is a war going on with the threat of a global conflict. Gas prices are continuing to rise as well as the cost of food. Insecurity abounds as many wonder what will be the next crisis. We may wonder why God is allowing this to happen. I heard a song a while back that helped me to put things into perspective.

"I passed a home the other day, the yard was filled with kids at play;
And on the sidewalk of this home, a little boy stood all alone.
His smiling face was sweet and kind, but I could see the boy was blind.
He listened to the children play, I bowed my head and there I prayed.
Dear Lord above why must this be? and then these words came down to me
After all you're just a man, and it's not for you to understand
It's not for you to reason why, You too are blind without my eyes.
So question not what I command, 'cause it's not for you to understand.
Now when I pray my prayer is one, I pray his will, not mine, be done;
After all I'm just a man and it's not for me to understand."

- W Nelson

Jesus told his disciples:

"And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places." - Matthew 24:6-7

Uncertainty is a characteristic of our world, however we have the security of God through Christ. Paul told Timothy that difficulties will continue but he also reminded him and us that *"... God has not given us a spirit of fear, but of power and of love and of a sound mind."* - 2 Timothy 1:7

Therefore, we have the certainty of God and the promise of Jesus.

FIRST SUNDAY FAMILY NIGHTS

We had our first First Sunday Family Night. We watched a video concerning creation—“Is Genesis History?” It was followed by a “Linger Longer” time of fellowship. We will continue to meet the first Sunday of each month with different activities for the entire church family. Make plans to attend on April 3rd as we watch and discuss this is a fascinating study of God’s Word and scientific evidence for the creation of the world. Don’t miss this!
